the reimagining of aquaman in the new 52 transformed the character from a joke to an important figure of ecological justice in aquaman and the war against oceans ryan poll argues that in this twenty first century iteration aquaman becomes an accessible figure for charting environmental violences endemic to global capitalism and for developing a progressive and popular ecological imagination poll contends that the new 52 aquaman should be read as an allegory that responds to the crises of the anthropocene in which the oceans have become

sites of warfare and mass death the aquaman series which works to bridge the terrestrial and watery worlds can be understood as a form of comics activism by its visualizing and verbalizing how the oceans are beyond the projects of the human and humanism and simultaneously are all too human geographies that are inextricable from the violent structures of capitalism white supremacy and patriarchy the new 52 aquaman poll demonstrates proves an important form of ocean literacy in particular and ecological literacy more generally
